(C) Challenge (D) Extend

- 4 Read the passage and answer the questions that follow by choosing the right option.
The first official one-day cricket international was played on Jan.5, 1971 between England and Australia in Melbourne. It was watched by a packed house. But the first one-day international happened by chance rather than by design. The match was played on the 5th day of an Ashes Test after the first four days were washed out. The success of that match led to a three-match one-day series during Australia's return tour in 1972. The series was a roaring success.

The three match one-day series in 1972 was held in

- (A) Australia (B) England
(C) Both Australia and England in parts (D) Neither a) nor b)

Quantitative Aptitude

- 5 $8597 - ? = 7429 - 4358$

- (A) 5426 (B) 5706
